More than a game

First Tee is an international youth development organization introducing the game of golf and its inherent values to kids and teens. Through after-school and in-school programs, we help shape the lives of young people from all walks of life by reinforcing values like integrity, respect, and perseverance through the game of golf. And it's making a difference.

First Tee - Greater Wilmington, a 501(c)(3) organization, is one of nearly 140 chapters located throughout the country and in multiple international locations. We believe that all kids deserve the chance to grow in a supportive environment with mentors guiding them. First Tee - Greater Wilmington is dedicated to impacting the lives of young people by providing educational programs that build character, instill life-enhancing values, and encourage healthy choices. Your contribution will help make a difference in the lives of young people by providing opportunities to engage in meaningful experiences, where kids feel excited to grow, safe to fail, and better equipped for whatever comes their way.

First Tee - Greater Wilmington is building game changers in Pender, Duplin, and New Hanover counties. With your help we can continue to impact the lives of young people in the Port City area.

"First Tee has always been a great asset for our youth programs. The activities have provided a way for kids to explore the game of golf in a safe and nurturing environment. Learning self-confidence has also lead to growth of character and a way to properly communicate with their peers."

MLK Community Center

How Tee Up for Success Supports our Programs

In 2024

At our 4th annual tee up for success event in 2024, we were able to raise \$120,000 in order to continue providing our programs to youth in Wilmington. Part of our mission is to serve every kid, no matter the barrier. The funds raised at our gala not only support our operations, they allow us to provide equipment for our community partners, provide transportation for youth in need, and support any students needing financial aid.

Perks of Sponsorship

Marketing Opportunities

All sponsors will have company marketing materials printed on event collateral. This includes the programs and event signage. Additionally, select sponsors will receive recognition on our website and social medias.

Networking

We have several prominent community members attend our gala each year. Sponsoring & attending this event will guarantee valuable connections to grow your business in Wilmington!

Demographics

Business owners, golf enthusiasts, executive level professionals, advocates for First Tee - Greater Wilmington, golf industry leaders, and private club members.
