More than a game

First Tee is an international youth development organization introducing the game of golf and its inherent values to kids and teens. Through after-school and in-school programs, we help shape the lives of young people from all walks of life by reinforcing values like integrity, respect, and perseverance through the game of golf. And it's making a difference.

First Tee - Greater Wilmington, a 501(c)(3) organization, is one of nearly 140 chapters located throughout the country and in multiple international locations. We believe that all kids deserve the chance to grow in a supportive environment with mentors guiding them. First Tee - Greater Wilmington is dedicated to impacting the lives of young people by providing educational programs that build character, instill life-enhancing values, and encourage healthy choices. Your contribution will help make a difference in the lives of young people by providing opportunities to engage in meaningful experiences, where kids feel excited to grow, safe to fail, and better equipped for whatever comes their way.

First Tee - Greater Wilmington is building game changers in Pender, Duplin, and New Hanover counties. With your help we can continue to impact the lives of young people in the Port City area.
